# Social Action: A Legacy of Dedication

---

In any community, there are individuals who stand out for their commitment to making a difference. At Congregation Shearith Israel, Mindy Fagin and Andrea Solka exemplified this spirit as Co-Chairs of the Social Action committee, dedicating years to identifying needs and mobilizing resources to create impactful change.

## Leadership and Responsibilities

Mindy Fagin and Andrea Solka took on the roles of Chair and Co-Chair of Social Action, respectively. Their responsibilities extended far beyond organizational duties; they were the catalysts for numerous projects aimed at addressing community needs. They both devoted countless hours finding needs in the community, organizing planning meetings, recruiting volunteers, and managing the budget meticulously, ensuring every dollar contributed to meaningful initiatives before fiscal year-end.

## Overcoming Challenges

Both Mindy and Andrea faced significant challenges, including the difficulty in recruiting volunteers for hands-on projects. They navigated through obstacles such as the COVID-19 pandemic, adapting their approach to continue supporting communities in need through virtual platforms and donation drives.

## Years of Service

Mindy devoted eight years to her role. Andrea brought her passion for Social Action to Shearith Israel for six years after retiring, making significant strides in community support during her tenure.

## Notable Achievements

Mindy and Andrea's tenure as co-chairs of the Social Action Committee at Congregation Shearith Israel was marked by several impactful achievements:

- **Galentine's Gala:** Mindy initiated and organized the annual Galentine's Gala, inspired by a Parks and Rec episode celebrating female friendships. This event provided essential hygiene products like pads, tampons, bras, and panties to women and girls in need. Over six years, the Gala fostered community camaraderie and raised significant funds and donations for its cause.
- **Support for Sand Branch Community:** Mindy and Andrea raised awareness and provided substantial aid to the Sand Branch community in South East Dallas County. This

- community, predominantly elderly people of color living below the poverty line without basic amenities like running water or sewer systems, received thousands of pounds of food and hygiene supplies, particularly crucial during the COVID-19 pandemic. Their efforts shed light on a marginalized community often overlooked, despite its proximity to the congregation.
- **Expanding Social Action Initiatives:** Under their leadership, the Social Action committee at Shearith Israel expanded its reach and impact:
  - Collaborated with other groups within the congregation, such as Religious School, on projects like the Knotted Blankets initiative supporting the Warm Clothes Drive.
  - Partnered with SiSterhood, Religious School, and a Bar Mitzvah student for The Vogel Bye-Bye Bags project, aiming to establish it as an annual tradition.
  - Joined forces with Temple Emanu-El to create Afghan Refugee Welcome Baskets, to help ease the transition to a new country.
  - Built and continuously restocked a Little Free Library through an annual book drive, promoting literacy and community engagement.
  - Personally meaningful initiatives included partnering with the Jewish War Veterans Auxiliary and SiSterhood to provide baby blankets and caps for pregnant military women, reflecting Andrea's deep connection to military service through her husband's service in the Army.
  - These achievements exemplify their dedication to Tikkun Olam (repairing the world) and fostering a culture of compassion and active community involvement at Shearith Israel. Their efforts not only addressed immediate needs but also inspired ongoing support and engagement among congregants and beyond.

### **Future Plans and Advice**

Looking ahead, Mindy will practice Tikkun Olam through the Ladder Project and assisting immigrants and refugees. She also practices law part-time. Andrea remains committed to Social Action & The Ladder Project as a volunteer & encourages the new co-chairs to engage other groups within the congregation to participate.

Their advice to successors emphasizes the importance of finding personal passion in community service, leveraging existing relationships within the congregation, and exploring collaborations with other groups to foster innovation and growth.

### **Gratitude and Reflections**

In heartfelt remarks, Mindy expressed deep appreciation for her co-chair Andrea, acknowledging her as a steadfast partner and friend. They extend their gratitude to volunteers, supporters, and their husbands for their unwavering support throughout their tenure. Our congregation is so thankful for all the hard work, time, and effort that you have so generously given to your community over the years.

# College Connection

In today's fast-paced world, maintaining a sense of community can be challenging, especially for college-age students who find themselves away from home during significant holidays. At Shearith, however, College Connection strives to bridge that gap through thoughtful gestures that resonate deeply with young adults.

"I helped assemble care packages for college-age students, ensuring they felt connected to our community while away from home," shared Esther Meyers, College Connection Chair. This initiative is not just about sending packages; it's about fostering a sense of belonging and continuity, especially during important times like the High Holy Days and Purim.

The care packages themselves are more than just a collection of items; they are curated with the intention to bring both joy and a sense of home. Filled with holiday treats and heartfelt letters from Shearith leadership, each package is a tangible expression of care and support from their community.

"Preparing these packages was a rewarding experience," continued Esther. "Knowing it would bring joy and a sense of belonging to the recipients made it all the more meaningful." The act of assembling these packages goes beyond the logistical efforts; it embodies the spirit of community service.

For the volunteers involved, the process was not merely a task but a privilege. It allowed them to contribute to something larger than themselves and to connect with others in a meaningful way. It's about weaving threads of connection that span miles and bring comfort to those who might otherwise feel far from familiar faces and traditions.

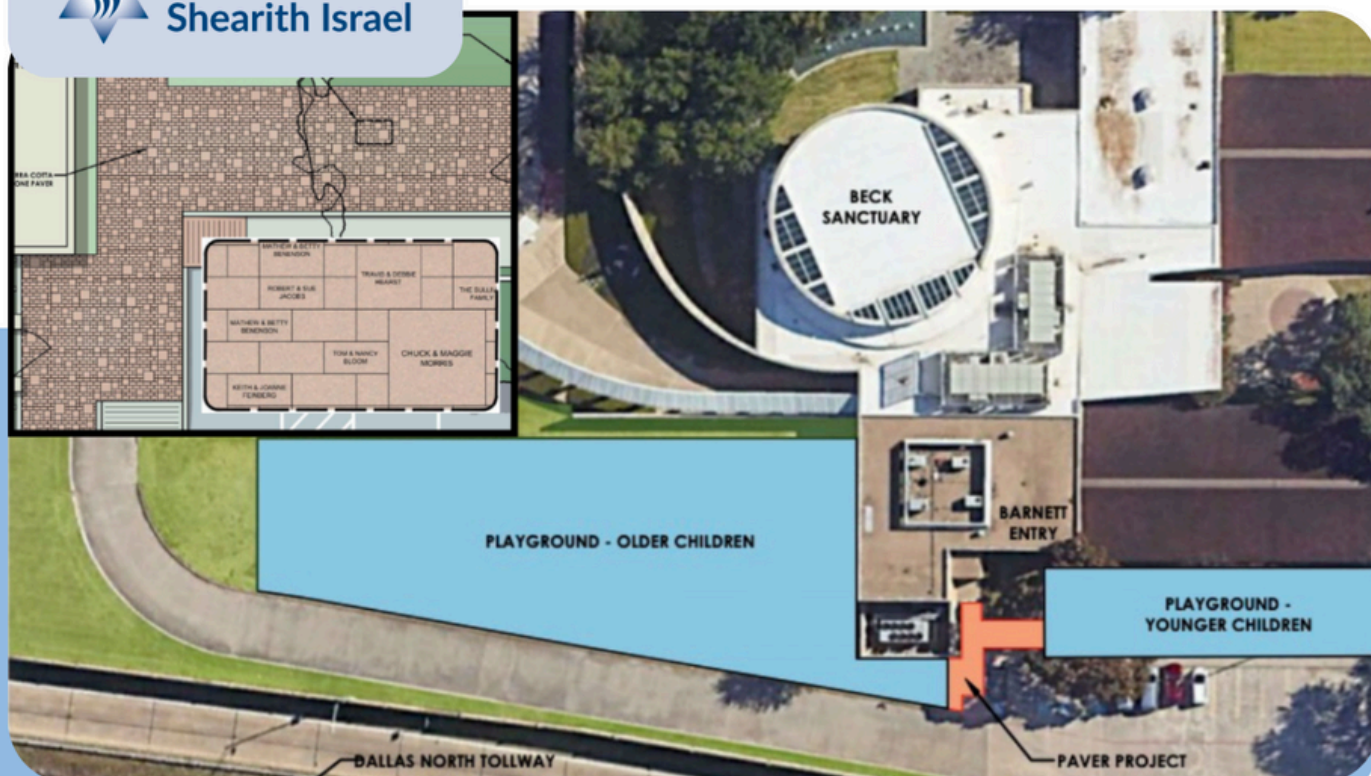

"Combining community service with the spirit of the holidays made it both meaningful and fulfilling," Esther concluded. This sentiment echoes the core values of Shearith: to nurture a community that extends its warmth and care to every member, regardless of where they are.
