ADULT LEARNING

Tuesdays with Torah and Rashi

Every 2nd and 4th Tuesday | 1pm
Beginning August 27

Join Rabbi Avi Mitzner as we take a close and in-depth look at the Torah with the help of Rashi's commentary.

Contact Theresa Hurt at thurt@shearith.org to RSVP for this class.

Torah on Tap

November 19 | 7pm

Join Rabbi Ari Sunshine and come see where Torah intersects with real life!

Visit our website for registration information.

Women's Torah Study

Wednesdays | 12pm
Beginning October 23

How did our parents and grandparents react to the idea of a woman opening the ark, reading Torah, and leading services? How do we think about it now, and why does it matter? Join Rabbi Shira Wallach for a deep dive into the sociological and halakhic conversations around women's roles in Jewish prayer spaces. Our primary text this year will be *Gender Equality and Prayer in Jewish Law* by Rabbis Ethan Tucker and Micha'el Rosenberg. We will also take time to reflect on our personal journeys and reactions to these ideas through journaling; please bring a notebook and pen. A copy of the materials will be provided though we highly recommend purchasing the book.

Contact Taylor Hayden at thayden@shearith.org to RSVP for this class.

Introduction to Judaism

Wednesdays | 7pm
Beginning September 4

This year-long class provides a wonderful opportunity for Jews and those considering conversion to learn about Judaism's most important concepts and practices. Topics include sacred Jewish texts, holidays, lifecycle events, Israel, the Holocaust, and basic Hebrew reading. The class is taught in rotation with and meets at our partner Conservative synagogues, Anshai Torah and Beth Torah, as well as in the Sardas Beit Midrash.

\$180 per person/\$270 per couple.

Contact Theresa Hurt at thurt@shearith.org to RSVP for this class.

Thursdays with the Rabbis

Every 1st and 3rd Thursday | 1pm
Beginning September 5

Our yearlong study of rabbinic text will explore the evolution of our belief in God. For too many Jews, a relationship with the divine on biblical terms is simply impossible. Join Rabbi Adam Roffman as we trace how the rabbis radically reimagined who God is and how God acts in the world, freeing us to create our own personal theology, a relationship with God on our own terms.

Contact Theresa Hurt at thurt@shearith.org to RSVP for this class.

Visit us at www.shearith.org/class-calendar.html for the complete class schedule.

SOCIAL ACTION

Change happens one helping hand at a time!

Meet the New Co-Chairs for 2024-2025!

This all came about at the last Social Action Meeting held at El Fenix. We all had finished our dairy meals and were discussing the future leadership of the Social Action Committee. Well, the urge to raise my hand came over me and I stated "I will be the Chair." Wait, "what just happened?" A second later Tammy raised her hand and said "I will Co-Chair with Ann." So our journey begins.

I have been involved in Social Action at Shearith for the past 9 years. Doing the service projects gives me a sense of purpose and brings me joy in serving the Community while representing Shearith Israel. Social Action and Social Justice has always been a core belief of mine. As an Occupational Therapist, I have always strived to give quality care to all I serviced. I feel the same working with our Shearith Israel's Social Action Committee. I am very happy to Co-Chair with Tammy.

-Ann Cobert

My name is Tammy Greenberg Duple, and I am excited to introduce myself as the Co-Chair for the Social Action Committee for the 2024-2025 term. I am thrilled to work alongside Ann Cobert to continue our mission of supporting the Dallas community.

Living in downtown Dallas, near key organizations such as Austin Street, Vogel Alcove, The Bridge, and The Stewpot, I have seen firsthand the crucial role these facilities play in assisting those in need. Our committee is committed to strengthening our partnerships with these organizations to ensure that we provide meaningful and impactful support.

Through our collaboration, we aim to direct resources to these facilities, which are better equipped to offer long-term solutions and services to the community. This approach ensures that our efforts are both efficient and effective, helping to address the root causes of homelessness and poverty rather than just the symptoms.

We believe in the importance of supporting structured programs over individual panhandling or uncoordinated feedings in the city. By doing so, we can make a more significant impact and foster sustainable change within our community. Thank you for your continued support and dedication to our shared mission. I look forward to working with all of you to make a positive difference in the lives of those we serve.

-Tammy Greenberg Duple
